**TECHNOLOGY:** All students are required to pay this annual fee as an investment in existing and future technology.

**CONTINUOUS ENROLLMENT:** Continuous Enrollment applies from the first academic year (kindergarten or higher) and will automatically renew enrollment for each successive academic year until graduation from LCCA. This will be in force until it is terminated by LCCA at any time, or completion of LCCA's withdrawal procedure.

As part of continuous enrollment, each student's information (i.e., address, phone number, emergency contacts, and medical information) is continuous from grade to grade in the Student Information System. Parents/Legal Guardians are responsible for keeping their student(s)'s information accurate and up to date.

Each December, LCCA will publish the following school year's tuition rates and fees.

**Continuous Enrollment Fee:** The continuous enrollment fee for the following academic year will be incorporated into the FACTS payment plan. If you withdraw prior to January 31, the payments made toward the continuous enrollment fee will be refunded. For withdrawals after January 31, payments already made will be forfeited.

**FACTS PAYMENT PLAN:** Finalizing your FACTS payment plan is part of the enrollment process. Your FACTS payment plan includes tuition, technology, and continuous enrollment. Your payment schedule may vary depending upon when your enrollment is completed. FACTS allows families to choose a payment plan. LCCA offers three payment plan options:

1. Pay in Full
2. Semi-Annual
3. Monthly

Late fees apply. All fees and tuition are per student and nonrefundable/nontransferable.

**DISCOUNTS:** All discounts must be approved by the academy's financial office.

(Each student will be given the most beneficial applicable tuition discount.)

K-5 Siblings: Oldest student full price; \$1000 off each sibling's tuition

**WITHDRAWAL:** A parent must submit a withdrawal form (from LCCA Office or requested by email). The withdrawal form must be received a minimum of 30 days prior to withdrawal date for students in all programs. All fees and tuition are non-refundable. Grades and records will not be released until all financial obligations have been resolved through the Financial Department and all school property must be returned in good condition.
