LCCA PRESCHOOL news

"And Jesus said, Let the little children come to me, and do not hinder them. for the kingdom of heaven belongs to such as these."
-Matthew 19:14

NOVEMBER 2026

A NOTE FROM MRS. JEN

Whew! I don't know about you, but I need to take a breath from the whirlwind that was October. As we enter into November we will slow things down a bit, focusing on sensory learning, pumpkins, and of course being thankful for this wonderful life that God has blessed us with.

We do have our next Mission Madness of the year coming up. This one will help us create care packages for people in active duty or in boot camp. Bring a monetary donation and your child can dress in their favorite red, white, and blue to honor our troops!

For Thanksgiving, we will be doing things a little differently this year. We try to follow the public school calendar for our families who have siblings or work in those schools and would like to have their family out of school at the same time. This year, the public schools are closed the entire week of Thanksgiving. Part time preschool will be closed the entire week of Thanksgiving as well. Our full time (5 day) classes will be open on Monday and Tuesday of that week for our working parents who need it.

Thank you for all that you do, day in and day out to support our staff, our school, and each other. We love and appreciate you more than you know.

Love, Mrs. Jen

THE ARMOR OF GOD

Ephesians 6:10-18

"Finally be strong in the Lord and in the strength of his might. Put on the whole armor of God, that you may be able to stand against the schemes of hte devil...

(vs.13) Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm. Stand therefore, having fastened on the belt of truth, and having put on the breastplate of righteousness, and as shoes for your feet, having put on the readiness given by the gospel of peace. In all circumstances take up the shield of faith, with which you can extinguish all the flaming darts of the evil one; and take the helmet of salvation, and the sword of the Spirit, which is the word of God..."

IDEAS & ADVICE

- **FINE MOTOR PLAY:** Doing fun games that require your little to use their fingers helps build their fine motor skills/strength. Let them play with playdough, string beads, or build things out of tooth picks and tiny marshmallows. You'll be surprised to see the growth it creates.
- **ENCOURAGING THOSE IDEPENDENT SKILLS:** Encouraging your child & praising them when they try to master skills like carrying their own backpack, walking into school, and wiping their own bottoms creates such amazing confidence that also helps them believe that they can do anything they put their minds to.
